Argument in Favor of Measure ____
Farmersville Unified School District

Our schools are the most important assets in our community and should be our number one priority. From higher achieving students, to greater neighborhood safety, quality schools make a difference. While our teachers and staff do a great job in educating our children, many classrooms and school facilities in the Farmersville Unified School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our students need your **YES vote on Measure ____!**

Although our schools have been well maintained over the years, aging classrooms and facilities must be upgraded since many do not meet 21st century standards. Measure ____ would allow the District to improve our local schools and the quality of education provided to local children. By investing in our schools, we can meet today's safety, technological, and educational standards and improve our community.

If passed, Measure ____ will provide funding to make critical facility improvements at Farmersville schools by:

- Increasing student access to computers and modern technology
- Constructing new 21st century classrooms and school facilities, including Ag facilities
- Modernizing and renovating classrooms, restrooms and school facilities
- Making health, safety and security improvements
- Replacing temporary portables with permanent classrooms

Measure ____ makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the state.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve Farmersville schools, not for teacher or administrator salaries.

Measure ____ upgrades and renovates old and inadequate classrooms, improves the education of local children, and maintains the quality of our community **with funding that cannot be taken by the state.** That's something we can all support. Please join us and VOTE YES ON MEASURE ____!
