Section 2

Democratic Party Results

This section includes results for President in three sections:

- DEM - combined grand totals including ALL voters voting on the Democratic Presidential Candidates
- DEM/DEC – totals reflecting only Declared Democratic Party voters
- DEM/DTS – totals reflecting Non-Partisan (or Declined To State a political party) voters who voted Democratic Party ballots

All other races in this section will reflect combined totals.

Please note there will not be a separate report listing results for President broken down by Congressional District because Tulare County is now completely within a single Congressional District.

Brief Description of the Modified Closed Primary System

MODIFIED CLOSED PRIMARY SYSTEM

California currently has a “modified” closed primary system. SB28 relating to primary elections implemented a “modified” closed primary system that permits unaffiliated voters to participate in a primary election if authorized by the party’s rule and duly noticed by the Secretary of State.

UNAFFILIATED VOTERS – VOTING IN THE PRIMARY ELECTION

Voters who have declined to state an affiliation with a political party, or the party with whom they are affiliated is not qualified in California, may choose to receive the ballot of one of the political parties listed below. If you are requesting an absentee ballot, indicate your choice on the application located on the back cover of this booklet. If you are voting at the polls, indicate your choice to the election workers at your polling place.

If you do not request a party ballot, you will be given a nonpartisan ballot containing only the names of all candidates for nonpartisan office and measures to be voted on at the primary election.
