① Only the precincts eligible to vote on the contest will be shown.

Each precinct number will be listed in duplicate then immediately below it, will be listed that precinct number followed by the words "Absentee".

For example...

857 ← represents that precinct's total results (including the absentee totals)

857 - Absentee ← represents the total votes cast within that precinct by absentee voters

② These three listings show the breakdown of the totals by **Precinct Totals**, **Absentee Totals** and **Grand Totals**.

"Precinct Totals" will usually represent the polling place voters, but will also include the "Mail Precinct" voters. Mail Precinct voters have no polling place assigned to them, are forced to vote by absentee ballot, and are indicated by precincts with the number 800 to 999.

"Absentee Totals" will include voters who requested to vote through the mail or voted early on the touchscreen voting units.

③ This section is a breakdown of the GRAND TOTAL results by major districts such as Congressional, State Senate, State Assembly, Board of Equalization, County Supervisorial District and city (precincts outside of any city limits, it will be included in the "unincorporated" category).

④ The second set of major district results shows the ABSENTEE TOTAL results.
