**PUBLIC SERVICE ANNOUNCEMENT**

IMMEDIATE RELEASE – June 12, 2019

**NEWS MEDIA** – Tulare County Registrar of Voters is extending the deadline for accepting applications to the newly established Language Accessibility Advisory Committee (LAAC) in Tulare County to Friday, June 28<sup>th</sup>, 2019. Applications are available online at <http://tularecountyelections.org> and should be submitted to the Registrar of Voters office at 5951 South Mooney Boulevard, Visalia.

The LAAC will serve as an effective resource for receiving input and providing assistance on translations, community outreach plans, and bilingual poll worker recruitment and placement. In addition, the LAAC will help bridge the language, cultural and/or geographical barriers in our communities for voters with limited English proficiency who seek to participate and contribute meaningfully in the democratic process.

The LAAC will consist of five (5) members serving two (2) year terms. Members should have either a demonstrated knowledge of a particular covered language, language accessibility, or experience working with communities who speak a covered language.

Each member of the LAAC will be an independent, volunteer, unpaid representative of the community.

The LAAC will meet at Government Plaza, 5951 South Mooney Boulevard, Visalia on the Second Thursday of every month at 10:00 a.m.
